A deeper look

Does shipping affect profit?

The relationship between discounts and losses

Higher discounts are negatively impacting profit margins

Region & Discount

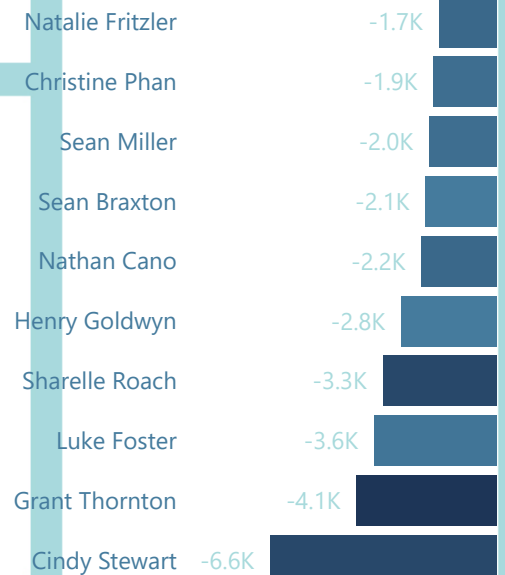

The company profits when it reduces discounts, not when it increases sales with discounts

Region	High Discount	Low Discount	Medium Discount	Total
Central	-81.48	91.94	18.75	17.09
East	-91.30	72.72	30.10	32.14
South	-145.50	78.24	13.43	28.86
West	-135.72	44.58	35.01	33.85
Total	-97.18	66.90	26.50	28.66

the reason for the loss.

Tables and bookcases are the reason
